

# Arvalee School

Our school had to close because the Coronavirus had came into our world and it can make people sick.

Coronavirus can spread from person to person in many different ways.

# But there's GOOD NEWS!

Coronavirus is not spreading as fast as it was so we can now go back to school.

# I will go back to school at the end of August.

## First

## Then

## Summer Holidays

## School

I will go back to school part-time.  
This means I will go to school some days  
and stay at home some days.

| Monday  | Tuesday   | Wednesday  | Thursday  | Friday  | Saturday  | Sunday  |
|---|---|--|---|---|---|---|
|  | 1  | 2  | 3  | 4  | 5  | 6  |

I will find out what days I am in school over the  
summer.

When I go back to school I will see some of my friends and some of the staff.

Some will be working at home when I am at school.

When I go back to school there will be some changes, so I can keep safe.

Before I go into school I will have to stand in a queue and wait my turn to go through the door.

Some of the grown ups will take my temperature, to make sure my body feels just right.

They may be wearing special aprons, masks, face shields and gloves.

Then I will have to put special soap called sanitizer on my hands, to kill any germs.

Just like Mr. Campbell!

I must remember to walk on the left side of the corridor and give everyone personal space.

There will be special spots on the floor to show me where to go.

# My teacher or classroom assistant will take me to my classroom. I will be in one of these sections...

Red Section

Green Section

Blue Section

Cyan Section

Yellow Section

Purple Section

We will see lots of new signs around our school building .

There will also be some changes in our classrooms.

We have to give lots of personal space and keep lots of space between our tables.

We will eat our  
snacks and dinner  
in the classroom  
so we can all stay  
safe.

I will play in the  
playground beside my  
section. We must  
remember to  
give personal space.

# Remember!

## We can help stop the virus from spreading

Wash hands

Hands off!!

Cough and sneeze  
into sleeve

Give lots  
of space

# Remember!

## Wash your hands...

Before you  
eat

After  
play-time

After you  
sneeze or cough

After you  
use the toilet

There will also  
be sanitizer  
stations  
throughout the  
school, so we can  
keep our hands  
clean throughout  
the day.

If I am feeling  
worried or scared  
about going back  
to school I can  
talk to an adult  
who will help.

We are looking forward to seeing you all!
