Arrangements for the Day of Industrial Action.

Arvalee School has been informed that all the Teachers Unions are taking Strike Action on Wednesday 26th April 2023.

In considering the needs of the school to operate and that no member of staff can cover for any duties normally taken by a staff member on Strike, **the school will close on Wednesday for the full day to all pupils.**

Thank you for your understanding at this difficult time.

Jonathan Gray
Principal

If you wish to support the Teachers and let Stormont know the value of Education and the need for appropriate funding, you can follow the link www.naht.org.uk/writetoyourMLA

This link will take you to a site where you can edit a draft email to the MLA and select the MLA of choice and send an email to emphasise the need for appropriate resourcing and funding in Education.

Thanks
